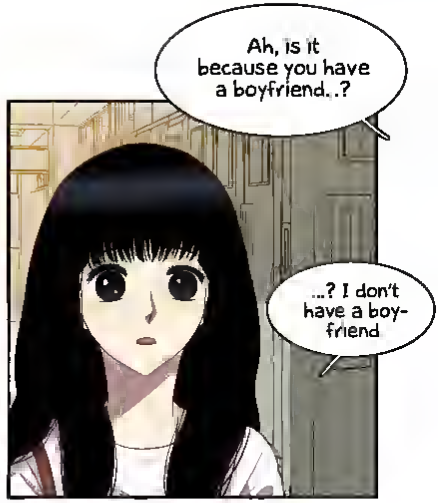
Hey, Yurim.
What are you up to today?

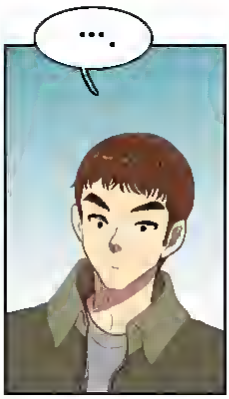
scatter-
thud-

Ah, you dropped them.
That surprised me
You should be more careful.

The third-years are going out. Want to come?
You really should.



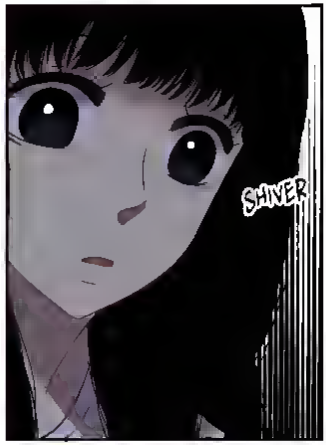
Ah, is it because you have a boyfriend..?
...? I don't have a boy-friend



....

Oh yeah?

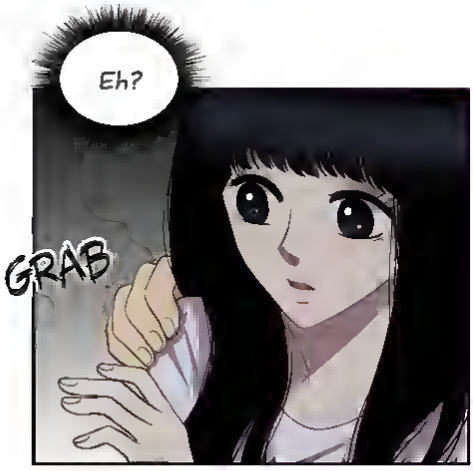
Anyway, let's go together today. It'll be fun getting to know and hanging out with the upperclassmen.



SHIVER

I don't like...
...being touched.

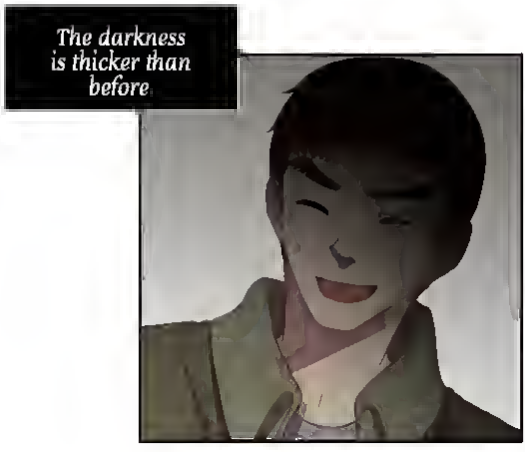
Sorry, Sunbae-nim, but I already have other plans.
Mister Jooeun must be waiting
brush



Eh?
GRAB

Hey, don't you think you should try going at least once considering how many times I've asked?

I understand that you don't want to stand out, but just think about it.
Ha.Ha.Ha
Don't you think it would be nice to stand in the spotlight?

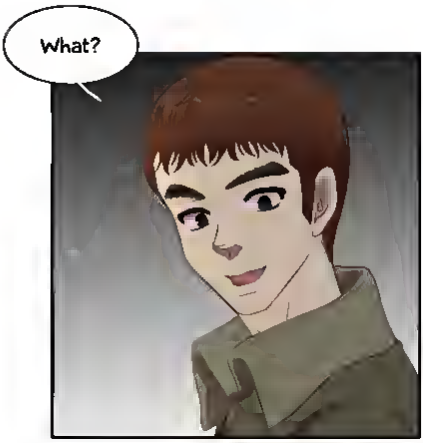


The darkness is thicker than before

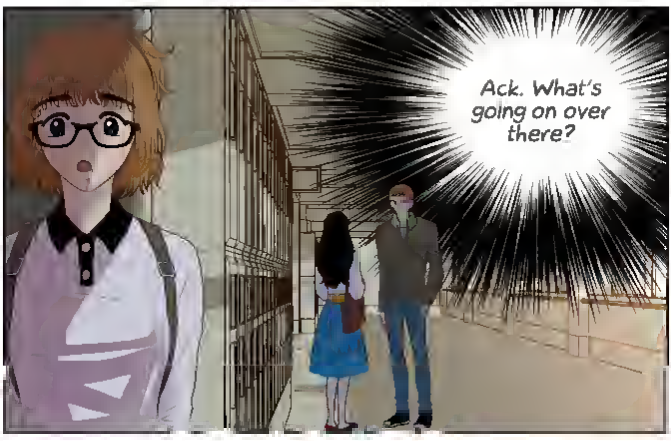
It looks like I've become a bad sunbae~ We're just going out to eat and leaving right afterward.
If you're worried about staying out late I'll take you back home

What I felt...
You're making me uncomfortable so please...!

It all just came out.
shaa-

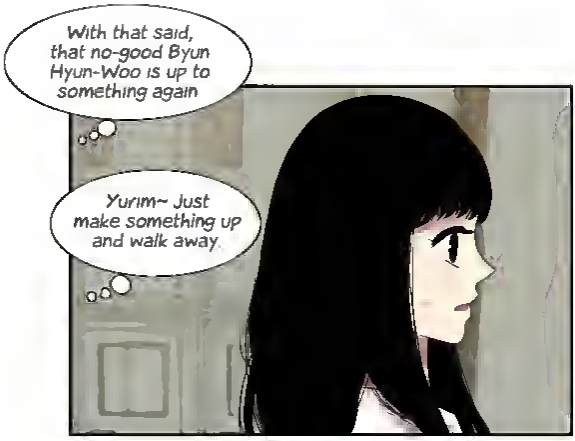


What?



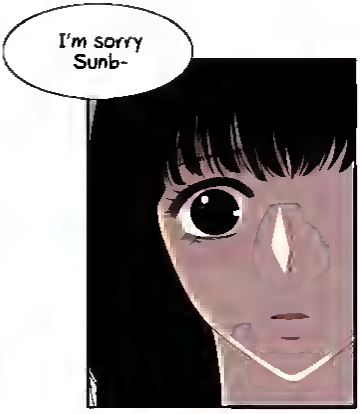
Ack. What's going on over there?

That Yurim, what's she trying to accomplish by talking that way?
Just make something up and leave



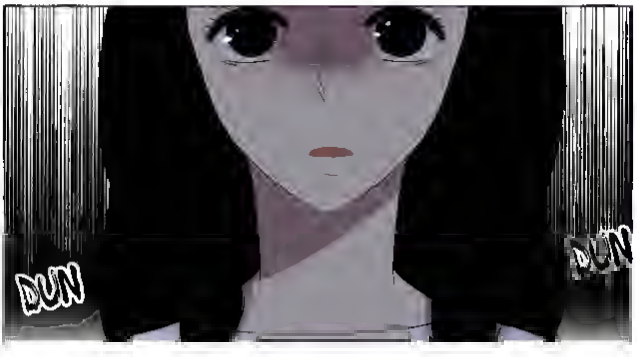
With that said, that no-good Byun Hyun-Woo is up to something again
Yurim~ Just make something up and walk away.

I... I'm sor.. I'm sorry.



I'm sorry Sunb-

RISE

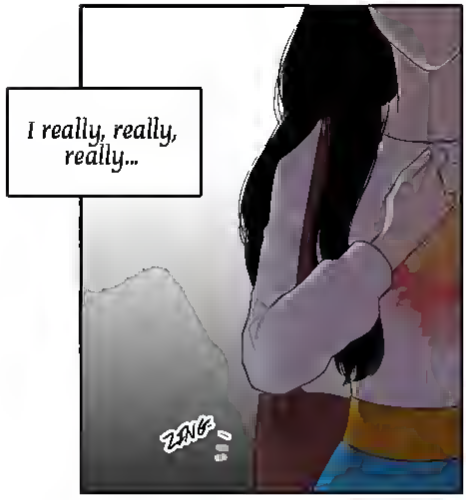


DUN
DUN

The moment when I realize that someone's ill will is directed at me...

Everything in front of me goes dark.

Bear it!
Huh?
Why do you look like you're about to cry?
Don't cry.
Please don't cry.
Hey, what did I even do?
What if someone walks by?
They'll think I made you cry
The me who can't endure this...



ZING-

...hate her.

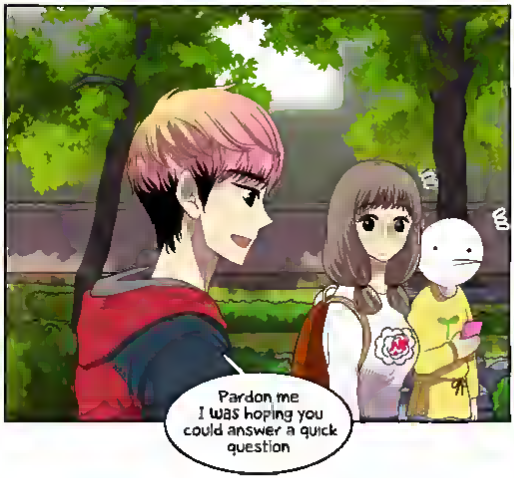
Why hasn't she checked her messages? She said class would end before 4pm.
It's already 4:40pm.
She won't pick up the phone, either.

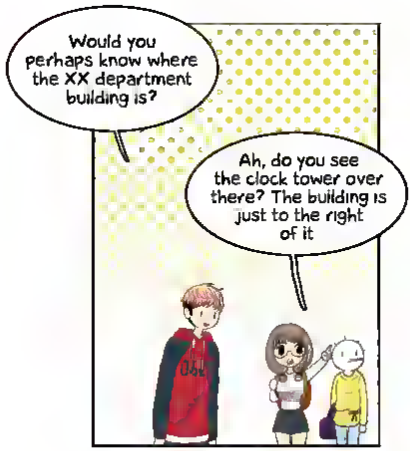
Is she trying to say she doesn't want to do it?
Is she deliberately ignoring me...?
Gap~

poo...
....
She's not that kind of person Did something happen?

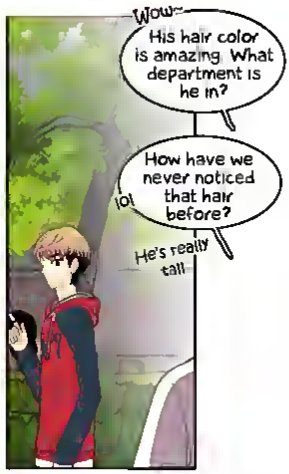
Hmm~
Where is her department's building, I wonder...



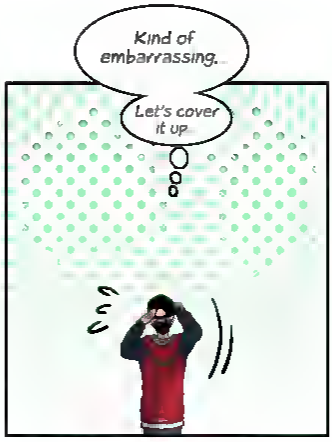
Pardon me
I was hoping you could answer a quick question



Would you perhaps know where the XX department building is?
Ah, do you see the clock tower over there? The building is just to the right of it



Wow~
His hair color is amazing. What department is he in?
How have we never noticed that hair before?
He's really tall

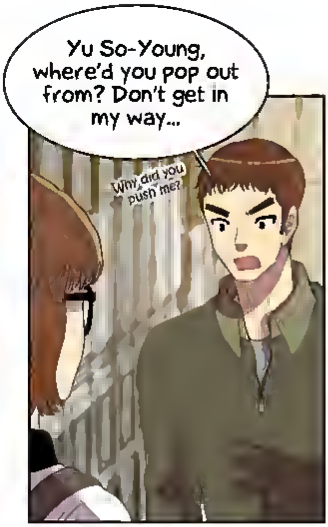


Kind of embarrassing...
Let's cover it up...

Let's just say that I was wrong.
!!
Calm down. I'll get you something to drink

Please

Don't touch me
Don't just casually touch me!
Sunbae, what are you doing?
push



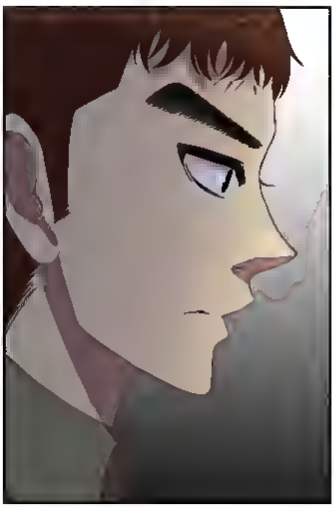
Yu So-Young, where'd you pop out from? Don't get in my way...
Why did you push me?

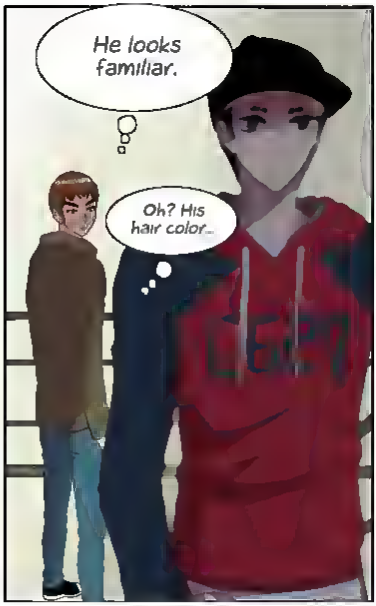
Sunbae-nim. You know Hui-Jin was looking for you?
She's on the floor below us It looked like she was going to come up

Bleh-

And there he goes, running away. Just because of a few words.

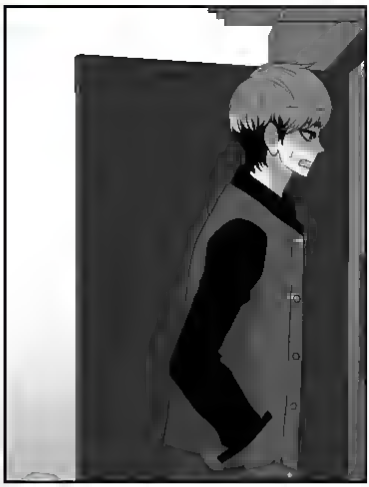
So annoying. Nothing's going right.
And what does Hui-Jin want now..

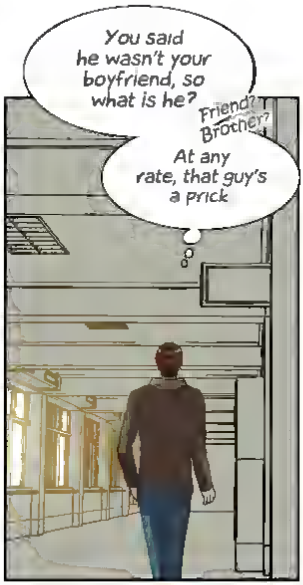




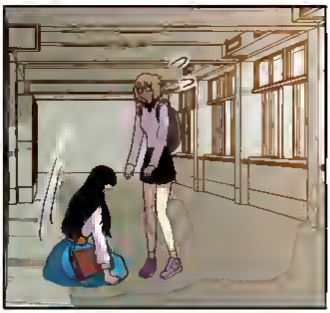
He looks familiar.
Oh? His hair color...

Is it this way?





You said he wasn't your boyfriend, so what is he?
Friend? Brother?
At any rate, that guy's a prick

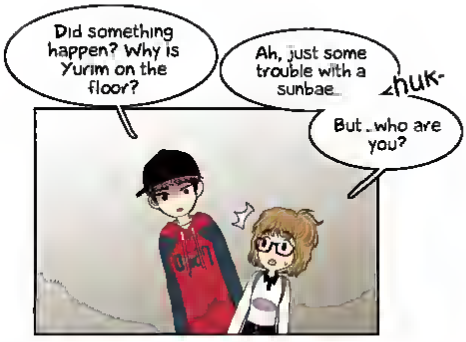


My legs gave out from under me.
Yurim? Are you all right?
I'm sure Hyun-Woo sunbae will think I'm weird because of how sensitive I was

But I had goosebumps.

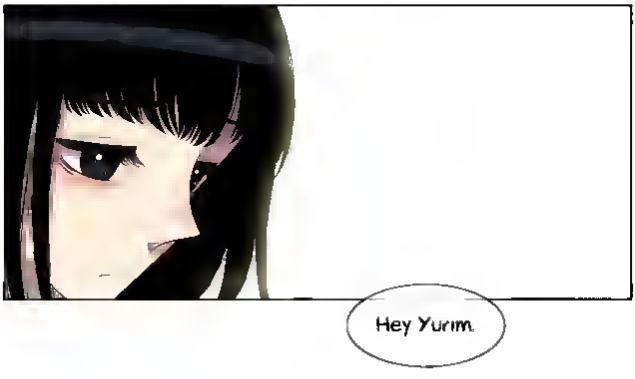
I don't like any man putting his hands on me...

Did Sunbae's ill will find its way towards me?



Did something happen? Why is Yurim on the floor?
Ah, just some trouble with a sunbae.
<huk-
But..who are you?

Ah, just someone who happens to know Yurim



Hey Yurim.

Yurim.

Let's go.
